

CERTIFICATE OF DELIVERY OF ROOFING FELT

It is hereby confirmed that the delivered roofing felt – to the best of our knowledge and belief – does not contain hazardous substances and includes a maximum of 2% other materials:

- PCB (Polychlorinated Biphenyls)
- Asbestos
- Tar (check for tar smell)
- PAH (Polycyclic Aromatic Hydrocarbons) < 1,000 mg/kg
- A maximum of 2% materials other than roofing felt (e.g., wood, metal, rubber, stone, aluminum)

In cases where the content exceeds 2%, we reserve the right to issue an invoice for additional sorting. The current price for sorting is DKK 1,150.00 per additional hour (sorting machine and 2 workers).
